

Jannette Pullan

It is with great sadness that we announce the passing of Jannette on March 26th 2016. She was the beloved wife of Hudson Pullan who predeceased her on December 13th 2011. She leaves behind her niece Dorothy, nephew Steve, great nephews Chris and Pete, and great great nieces Julie and Layla May, as well as many wonderful friends.

Jannette and Hudson arrived in Canada from Glasgow, Scotland in 1953. They lived a long full life and enjoyed travelling together. Jannette had a sharp mind and the sense of humour of a true Scot. Jannette was a wonderful Aunt and a great friend who will be dearly missed.

Condolences may be offered to the family below.
