

Jean François Castonguay

March 10, 1938 – August 25, 2011

After a lengthy battle with Parkinson's disease, Jean passed away peacefully in Victoria, BC. He was born in Ottawa and graduated with a degree in chemical engineering at the University of Ottawa. Jean held various management positions over his 38 year career within the Canadian pharmaceutical industry. He was an avid nature enthusiast spending countless hours sharing his love and passion for the outdoors with his family and friends. Jean is survived by his wife, Sharon (married for 46 years) and their three sons: Paul (Leslie), Maurice (Doris), Charles (Agnès), and six grandchildren. His funeral was held earlier this week at the Sacred Heart Roman Catholic Church. He will be sorely missed by his family and friends. Donations can be made on his behalf to the Victoria Epilepsy & Parkinson's Centre <http://vepc.bc.ca/donate-to-vepc/tribute-gifts.html>. Condolences may be offered to the family at www.sequoiagardens.com
