

Jean McCabe (Spring)

With deep sadness our family announces the passing of Jean quietly with family by her side. In Jeans 94 years she has seen and enjoyed doing many things with her travels, camping, gardening, and a variety of hobbies. Jean will be forever remembered by her 3 daughters and spouses, 4 step-children and spouses, 15 grandchildren, 11 great-grandchildren, nieces, nephews and cousins. Jean will be greatly missed by all her family and friends. A special thank you and hugs – to all medical staff, Doctors and care-workers, that helped mom over the years.

A family graveside service will be held on Monday April 18, 2022 at Hatley Memorial Gardens with a family gathering to follow. In lieu of flowers, donations can be made to the Heart and Stroke Foundation. Condolences may be offered to the family below.
