

Joan Bridges

With profound sadness we announce the peaceful passing of our mother, with her children at her side. She was predeceased by her husband Tom in 1997. She is survived by her four children, Bob (Pam), Ron, Linda (Chris), Lori (Steve) and three grandchildren, Brent, Sabrina (Ryan) and Mark (Rebecca), also her nieces Diane, Darlene, and nephew Kirk, along with her good friends Zoradia-Helmut and Grace-STU.

Mom and Dad had many years camping at Honeymoon Bay, Cowichan Lake, and travelling south each year for three months in their 5th wheel. After dad passed Mom had many cruise ship trips.

The family would like to thank Dr. Domke and the wonderful staff at the George Road Hospital, the Waterfront Unit.

No service by request.

Condolences may be offered to the family below.
