

Joan Elizabeth Impett (nee Kerley)

Joan passed away at Saanich Peninsula Hospital on June 30, 2016. Born on August 2, 1949 in Halifax, N.S. Joan fought a long and difficult battle with COPD – Emphysema and died very peacefully with family at her side.

The younger daughter of Alfred and Jean Kerley (deceased), she is survived by her loving, devoted husband, Richard of 37 years. Lovingly remembered by her daughters, Jennifer (Thoran) and Kerry (Steve); her older sister, Jan MacRae, and extended family and friends. She is also lovingly remembered by her grandchildren, Aleah, Jada, Mackenzie, Adam, Ryan, and Toni, the youngest, who Joan was thrilled to see walking for the first time the day before her death. She had a passion for her poodle dogs, in particular Shadow, Parker, and Chase.

Joan enjoyed the many trips that she and Richard did, and was especially thrilled with their trips to Europe. She loved Italy, especially, Rome. Joan was a wonderful cook and enjoyed hosting family dinners and huge staff parties. In particular, she fondly remembered a family dinner that “everyone” was invited to and she had a sit down dinner for over 50! She loved her home in Brentwood Bay and put her touch on everything, especially the garden that is beautiful.

A very special thanks to the Peninsula Palliative Care Unit for their wonderful care over the past 4 years. Special mention to RN Kathleen LeBlanc for her dedicated home visits, Dr. Aaron Young, Dr. Telen Harper, Dr. Jennifer Manklow, Dr. Jovic and Dr. Leah Norgrove.

Joan was able to stay at home during this long illness until her last two weeks. She then went to SPH Palliative Care Unit where she received wonderful kind and compassionate care. Our

sincere thanks to all RN's, LPN's, Drs, and volunteers. You were all amazing.

A Celebration of Life will be held at McCall's Floral Chapel, Johnson and Vancouver Streets, on Saturday, July 9, 2016 at 1:00 pm with a reception to follow.

Condolences may be offered to the family below.
