

Jonathan Martin Churchill

Jono was born in New Delhi, India on November 12, 1943; he passed away on August 14, 2016 in Victoria. He was predeceased by his parents, Geoffrey and Margaret, and his brothers Anthony and Michael. He is survived by his twin sister Jane Crofton (Mark), brother Simon (Daphne), sister in law Joan in Washington DC and cousin Ann McCarthy (Pat). He was well loved by his nieces, nephews, cousins and many friends.

Jono was educated in Victoria and he spent 38 years in the Canadian Coast Guard, serving on the West Coast and in Ottawa. Many of those who he worked with stayed in touch with him and speak very highly of him as a wonderful employer, associate and good friend. He made a positive difference in the lives of so many, he was a very special person. Jono enjoyed travelling, this usually included spending time visiting family and acquaintances. He loved telling stories and enjoyed reading history and kept himself up to date with local and world affairs. He was always willing to lend a helping hand and on numerous occasions, he was there to drive his great-nieces and great-nephews to their various activities – most often this included a stop for a treat of some sort. The past couple of years were difficult for him because of poor health. He was a resident at the Victorian and his last days were in Hospice where he was well looked after by a very caring staff.

There will be no funeral service at Jono's request. Condolence may be offered below.
