Joseph Gilbert Dubé

While enjoying a much-anticipated family weekend in Chilliwack, BC, with Dola, Logan and Allie, Gilbert passed away after receiving exemplary care at Royal Columbian Hospital. Heartfelt appreciation to everyone in the Clover Point Care family who provided care and attention to his needs following his accident and brain injury in 2016.

A celebration of life will be held with his siblings in Lac-des-Aigles, PQ on September 20, 2023. A donation to the Victoria Brain Injury Society would assist others in the community who need help like Gilbert’s family was grateful to receive.

Je me souviens.

Condolences may be offered to the family at:
