

Josephine Watson

Josephine "Granny" Watson peacefully passed away on May 7, 2007, in Victoria, BC. Born on May 22, 1917 in Lafleche, Sk, one of ten children, she lived most of her life in Calgary, AB. Josephine was predeceased by Howard, her loving husband of 50 years. Devoted to her family, Josephine was much loved and is survived by her son Wayne (Jo-Ann); grandchildren Misty (Kim) and Sean (Ashley); her great-grandchildren Aiden and Caileigh; and her sister Helen. Granny adopted Jo-Ann's family into her heart and home and will be deeply missed by all members of the Barr family. Wayne, Jo-Ann and Granny especially recognize and thank Vicky and Rick Sinclair and their children Amber, Courtenay and Derrrick for their years of love and devotion to her. Our "Granny" loved her home and garden. She was a precious soul who always had a twinkle in her eye. Her legacy is the love, laughter, good food and fond memories that we will each cherish.

Special thanks to Dr. Valerie Cowan and the family of staff at Island View Place Care for your loving and compassionate care.
