

Joyce Celestine Vey

Joyce was born in Twickenham, England on October 26th 1920. At an early age, she moved to Canada with her parents Jean Jules and Madeline Lennartz and sister, Georgette, living briefly in the prairies before growing up in Sidney and Victoria. Joyce attended Victoria College and began to study nursing. She soon left school, married and moved to Kingston, Ontario where she worked to support her husband, Albert while he studied medicine. They returned to Victoria four years later, remaining here except for nine especially-happy years on Pender Island. Joyce passed away peacefully on December 11th, 2013. She is survived by her loving husband of over 70 years, Dr. Albert Vey, with whom she lived, independently, until just a year ago. She is also survived by her devoted son, Fred (Hazel); grandchildren, Rupert and Emma and niece, Linda (Peter) Caverhill. Joyce was a strong, determined, kind and loving wife, mother, grandmother and friend. She will be so dearly missed by all who knew her. Her example of a life well-lived is as great as the void she leaves behind.
