

Joyce Doreen Kingwell

Mom was born in Moose Jaw, Nov. 8th, 1927 and passed away at Sunset Lodge in Victoria.. Nov. 10th, 2013. Mom loved the beach and her favorites' were English Bay, Regina Beach,

Waskisieu and Dallas Road. Mom was a caregiver and though her family were the most important people in her life she shared herself with everyone. Before moving to Sunset Lodge she lived 20 years on Simcoe Street looking at the cherry blossoms in the spring and hailing the carriages in the summer with, "*Hello Luvy...isn't this the most beautiful city you've ever seen???...have fun!*" Mom loved fun. This picture was taken on her 80th birthday overlooking the Juan de Fuca, She had fun! Left to cherish her memory are her sons Kim and Kris, her grandchildren Noel, Weston, Tyler and Laurie, her great grandson Tiny(James Tyler) and many neices, nephews and friends.

Love you Mom
