# Judy Lyn Wescott

Born on January 22, 1970 in Victoria, BC, our dear Judy left us unexpectedly on March 4, 2022.

With tremendous sadness, yet with honour and deep love, Judy's mother, Jean Wescott and countless treasured friends are left to reflect on the life of a brilliant, witty, kind and vibrant woman.

Judy was devastated when her Dad, Vic Wescott passed away before his time was up.  As are we today, reflecting on a precious life lost too soon.

To know Judy, was to love Judy.  A natural connector, she had a magical way of bringing people together, through her passion for work, sport and friendships of all kind.

We will all honour Judy in our own way.  In lieu of flowers, Jean asks that you please consider giving to the Courtnall Society www.courtnallsociety.org or a charity that supports mental health wellness in your community.

*Heaven gained one hell of an angel.  Judy Wescott, you will always have a little gangster under your crown.*

Condolences may be offered to the family below.
