Kari Reid

Kari passed away peacefully at home surrounded by her family after a courageous battle with cancer. Remembered by her students and colleagues of SD61 as Mrs. Reid, Kari was a caring and committed middle school teacher who dedicated her 30-year career to providing a nurturing and supportive learning environment for all her “kids” at school. An avid hiker and adventurous traveller, Kari was known for exploring all corners of the globe with her husband and children on Reid family adventures. She held a deep appreciation for nature and all living things. Most of all, she enjoyed spending time at home with her family, cooking homemade meals, walking through Francis King Park and camping on Saturna Island. A role model for many, Kari led by example as an impactful teacher, fearless adventurer and deeply compassionate wife and mother. Kari is lovingly remembered for her enduring strength, unbreakable spirit and generous heart. She is survived by her parents Myrna and Bjorn, brothers Glenn and Kevin, her loving husband Kelly and three children, Connor, Molly and Wilson.

Condolences may be offered to the family below.
