It is with profound sadness that we announce the sudden passing of Karl Bruce Babin at the age of 58 on January 25, 2020 in Victoria, BC.

Karl was born on October 3, 1961 in Bathurst, NB and is predeceased by his parents Doris and James Babin.

Passion

Karl enjoyed his many years employed with Reliable Controls in Victoria where he was well respected and liked by his co-workers.

Many will remember Karl as a kind and gentle spirit with his passion and love of music.

Karl started his enthusiasm for music at an early age in Edmundston, NB. This was shared with many friends and continued throughout the years collaborating and creating his music. Karl was an excellent drummer and guitar player.

He loved going to concerts and seeing the music greats that he loved and respected.

We are comforted by the music he created and left behind for us to enjoy.

Enthusiasm

There will be no service at this time, Karl will be buried alongside his parents and Aunt Agnes Doucet in Bathurst, NB.
