

Kathleen Elizabeth Allen

Today we say goodbye to Kathleen Elizabeth Allen. Kathleen was born in Calgary, February 5th, 1953 and spent most of her life in Victoria the city she loved. Kathleen passed away peacefully on August 26th, 2016 in the Royal Jubilee Hospital after a brief battle with Cancer.

Kathleen graduated from University of Victoria and embarked on a lifelong career with the Federal Government in the Canada Pensions office where she became a senior staffer and enjoyed the company of many co-workers. For all of us that knew and loved her; siblings, nephews, nieces, and friends, the world will never be quite the same.

On behalf of her family special thanks are given to her friend Bridie Cain, for her watchful eye over Kathleen and managing all of Kathleen's appointments during her illness and to Mary Bartlett for opening her home at time of need.

Although she wished to attend her niece's wedding this September, she will be there in spirit and comfortable in knowing her canine companion, George is safe in his new home.

Kathleen is survived by her husband, Peter Allen; sisters, Janine Heptonstall of Vernon B.C., Linda Meehan of Sherborn England, Susan Eyres of London England and brother, Michael Stone of Calgary. Kathleen will also be greatly missed by nieces, Bonnie, Claire, Jackie, Phoebe and nephews, Tristan, Michael, George and Greg.

A celebration of her life will be held at a later date and in lieu of flowers, donations may be made to any animal charity.

Condolences may be offered to the family below.
