

Kenneth Lawrence Toby

It is with heavy hearts that we announce the passing of our father, Kenneth Lawrence Toby. Predeceased by his wife, Gloria Toby on January 10, 1989; his parents, Edna and Len Toby and sister, June Barrett, Dad is remembered with love by his children, Patti Tillapaugh, Craig, Mike, Shannon Glover (Iain); his sister, Kathy Maluorno and his beloved "good old puppy", Sonny. Dad leaves eight grandchildren (Shane, Katie, Angie, Maria, Ashleigh, Dylan, Ben and Nick) and five great-grandchildren (Mya, Kapri, Grayson, Presley and Beckett).

Dad was born in Winnipeg and moved out to Victoria with family in 1947 at which time he started what proved to be a very successful commercial masonry construction company. He has left us a legacy of many prominent brick buildings around the greater Victoria area including the Provincial Museum, Harbour Towers and The Laurel Point Inn just to name a few.

His endless tenacity and work ethic provided our family with a full and active lifestyle in a beautiful home.

We will miss Dad's strong sense of family, his wisdom and his witty humour.

To celebrate Dad's life, there will be an open house held Saturday, April 2 at the Coast Victoria Harbourside Hotel, 146 Kingston Street in James Bay between 1 pm and 4 pm.
