Kewal Singh Sandhu

Kewal was born in Bilga, Punjab, Kewal peacefully passed away after fighting a fierce battle with cancer. Kewal will be remembered as a hero to many of us. His journey to Canada began in 1969 and he continued to pave the path for many families from India to settle in Canada and start their new lives.

His generous gestures and heart of gold was what made him a charming man. Kewal’s passion was to work hard, laugh for the moment and spend time with his grandchildren. His laugh and smile lit up the room and left everlasting impressions in all those around him.

In his early days, he had a knack for sports cars and stylish vans, and he would enjoy taking his family all over Vancouver Island. He loved to work hard and built a solid reputation during his time at BC Forest Products and Victoria Plywood.

Kewal’s strong physique and determined mind stood out graciously, and he instilled those magnificent values to his children Mandeep (Brigitte) and Raman (Amar). He spent his life with his true love Sukhwant to the very end.

Kewal enjoyed taking care of his friends and family and would go to the moon and back for not only those he loved, but for complete strangers. Kewal’s legacy will continue to grow and echo in eternity through his grandchildren, Saachin, Sienna, Ariya, Rohen, Diya and Rajen. The grandchildren described their Baba-Ji as a cool hearted man who loved to laugh.

A Memorial Service will be held on Saturday, November 23rd, 2019 in the Sequoia Centre at McCall Gardens, 4665 Falaise Drive at 10:00 am, followed by Prayer Service at Khalsa Diwan Society, 1210 Topaz Avenue, 12:00 pm.

Condolences may be offered to the family below.
