

Kiri Joan Margaret Simms

On August 3, 2022 Kiri passed away peacefully in her husband Eric's loving arms at their home. She was 64 years old.

Kiri made each day count during her 24 month journey with Glioblastoma. Her health declined quickly in the last few days and now the struggle is over.

The love and support from all of you who helped us along the way gave both of us so much strength and encouragement to continue each day walking side by side in this emotional and physical battle.

Many thanks to all of the special people in the medical field who knew and helped guide Kiri. A special thanks to Dr. Andrew Attwell at BC Cancer Clinic in Victoria BC and to Dr. Stefanie Green who was right beside us during the most meaningful and difficult moments of Kiri's life. Thank you.

Kiri Simms was a caring and highly regarded doctor in the speciality of Psychiatry and she practiced in Montreal, Quebec and Victoria, BC.

As well as her husband Eric, she will be dearly missed by her loving daughter Sarah and extended family, Robyn and Korey, Lucas and Liam, Taylor and Shannah.

Our love was pure and strong and it will continue wherever you are. We love you Kiri.

A Celebration of Life will be held at in the Sequoia Centre at McCall Gardens, 4665 Falaise Drive, Victoria, BC on Sunday September 25, 2022, at 2:00pm

Condolences may be offered to the family below.
