

“Les” Leslie James Mottershead

February 20, 1926 – June 1, 2010

Les has at last left his pain and determination to deal with it behind and is finally at peace. Les served on the Greater Victoria Police Force for 32 years, working his way up to Deputy Chief. He also served with the Air Force and Army.

He has left his heart to his beloved Lynda; his sons, Dennis (Jacqueline) and Brian (Marilyn). His pride in his grandsons, Bill and Ryan was immeasurable. He went to sleep peacefully at home at his request. His many friends brought smiles and joy to his life.

A private Celebration of his Life will be announced at a later date.
