Lisa grew up in Copenhagen where she enjoyed dancing, riding her bicycle and family holidays to Sweden. After marrying Soren in 1944, she moved to the small Danish village of Almstok where they started their family. In 1954, they immigrated to Canada and settled in Revelstoke, BC for many years where they continued raising their children before moving to Victoria in 1975. Lisa enjoyed having fun with people, sharing stories from her childhood and enjoyed many different activities over the years. She loved her dogs and enjoyed building puzzles, playing games and caring for her aquarium fish. In later years, she was a regular at Hillside Mall where she enjoyed meeting friends for coffee.

Thanks to the staff at Mount St. Mary's who took such good care of Lisa. She would often say how much she enjoyed living there.

Lisa will be missed by many and also fondly remembered for bringing so much joy into our lives.
