

Lynne Catherine Murray

Lynne Murray, born January 6, 1951 in Lethbridge AB passed away peacefully, in Victoria BC, April 21, 2022 on her own terms, through MAiD (medical assistance in dying) having had diabetes for 60 years. Due to complications of diabetes, she had kidney failure and underwent kidney dialysis 3 days a week for 7 years.

Lynne had a varied career as a Registered Nurse beginning her career in Toronto in the burn unit at Sick Children's, then Victoria General Hospital in the recovery room, and retiring as an operating room nurse at the Royal Jubilee Hospital in Victoria. Nursing was a natural fit for Lynne where her warm, caring, and friendly nature found its best expression. She inspired many with her knowledge and resilience in relation to diabetes, mentoring both patients and professionals.

A desire for service to others also led her to join the Oak Bay Rotary Club where she proudly remained a member for 21 years. She made lifelong friends with Rotarians from Oak Bay and around the world as well as with many of the Rotary youth exchange students, when she led that program. Her friendliness, interest in people, and ability to talk to anyone and everyone was what drew others to Lynne. She kept in touch with high school friends, made close and enduring friendships through nursing, and people in her neighborhood, local bank, and restaurant adored her. She loved a party, was an excellent cook, and an avid Jeopardy fan. Her optimism, warm spirit, and generosity touched many. Lynne was loved and we will miss her greatly.

Predeceased by her mum and dad and her sisters, Donna and Jill, Lynne is survived by her sister Beth (Tybring) and by her nephews Mattias and Anders and nieces Heather (Duncan) and Jena (Jeremy).

Donations may be made in Lynne's name to the Oak Bay Rotary Foundation. There will be a celebration of life at a later date.

Condolences may be offered to the family below.
