

Mandy Cheung

The badminton enthusiast, a courageous cancer warrior, hardcore health nut, the cheerful and considerate woman, the most loving tiger mom, and the best wife in the world whatsoever. I will find you again in my next life. (words from the worse half – Ken)

Our mom was a sweet and funny little lady. She was a talented gardener and always found the best deals. We'll miss her "sh*t" scones, potato salad and egg custard. She was an inspiring athlete who worked out at least once a day but stayed out of the sunlight because she was afraid of getting freckles. She would also secretly drink Schweppes Cream Soda in between her super healthy meals. We'll always think of her when we arrive 5 hours early at the airport or ferry terminal "just to be safe".

Despite being so busy she always had time and energy for us. She was the best mom ever (and she knows it) and we miss her a lot. From her kids, Wilson and Emily.

The **Funeral Service** will be held at 10:00 am on Saturday, October 14, 2017, in the Sequoia Centre at McCall Gardens, 4665 Falaise Drive, Victoria, BC.
