Marg Pullishy (Greta)

Died on May 16th in Victoria, BC at the age of 68. She left this world peacefully with her girls by her side. During her active life, Marg shared her gifts with those around her and had many accomplishments. Marg was the successful owner of Endeavours Communications, where one of her more notable and rewarding tasks was producing the weekly segment “Wednesday’s Child” for CTV Edmonton for 32 years. Marg spent many years living between Edmonton and Victoria, enjoying herself by gardening, entertaining friends, and most recently walking with The Sole Sisters. While Marg fought several forms of cancer for over 25 years, she was able to complete the TC 10K in 2011 & 2012, even while living with cancer in her lungs. Marg was predeceased by her mother Mary Ellen and her brothers Jim and Albert. She leaves to carry on her spirit her partner Ken Park, her daughters Krista (Mike), and Kari (Fraser), Ken’s daughter Laureen, and the grandchildren who were her shining stars: Julia, Michael, Cameron, Kaleigh, Doug and Darryl. She also leaves behind her brothers Gordon and Gerry Alex, “Sister” Linda, many nieces, nephews, cousins and her nephew Shannon Alex, who held a special place in her heart. Marg had a sparkle in her eye that never left and she touched all those she met.

Celebrations of life with close family and friends will take place in both Victoria and Edmonton. In lieu of flowers please make donations to The Victoria Hospice and Palliative Care Foundation or The Ride to Conquer Cancer (Mena Westhaver # 273927-4). The family would like to sincerely thank Dr. James Houston and the staff of Victoria Hospice for their gentle care of Marg and her family during her peaceful transition at the end.
