Margaret Allison Lessard (Panter)

March 27, 1972 – November 6, 2012

Allison was suddenly and tragically drawn from our sight, but not from our hearts. We still feel her presence just around the corner. Missing her desperately are beloved husband, David; treasured children, Olivia and Max; parents, Catherine and Randy Panter; brother, Andrew and Kyla; grandmother, Ruth Panter; fond aunts, uncles, cousins, many Lessard connections from the east, and many close friends, especially Hanna and Jen. Her gift for loving sustained us all. Her artistry, singing and storytelling inspired us.

Family and friends are gathering to share memories at Allison's favorite place, The Darwinian Gardens at Becher Bay on Saturday, November 17, 2012 (1:00 pm – 4:00 pm). Candles will be lit at 2pm.

In lieu of flowers, donations in her memory may be made to Metchosin WildArc Rescue or the BC Children's Hospital Foundation.
