

Margaret Fiege

It is with heavy hearts we announce the sudden passing of Margaret. Predeceased by husband, Joe (2014) and son, Tom Levy (1994). She leaves behind her daughter, Tammy (Ian) Donaldson and her dearly loved grandchildren, Nathan and Emily. She will be lovingly remembered by her sisters, Marjorie (Art) and Madelyn (Allan) and niece, Sharon (Greg), cousins and great nieces and nephews and many good friends.

Margaret was born in Victoria, B.C. and worked for many years at the Ministry of Health and the past 12 years for Westside Dentistry. She was looking forward to her retirement shortly and had recently joined a Seniors Group (292) and was having so much fun. Margaret loved her family beyond words and her favorite thing to do was watching her grandchildren and all their sporting events. She loved being a grandma and always made it known with a daily text to them sending her love. She always loved sitting in the sun and reading a good book and got so much pleasure watching her adorable cats, Annabelle and Oliver, always making her laugh. She will be missed forever and always.
