

Margaret Robb

November 9, 1933 – May 18, 2013

Margaret (Peggy) passed away peacefully at the Oak Bay Lodge. Peg was predeceased by the love of her life, Murray, with whom she spent 28 happily married years. Many will remember Peg from her almost 30 years working at Scott's Diner, where her quick service and humorous comebacks were always on the menu. She will be fondly remembered by her special friend of fifty years, Nancy. Warm thanks to the patient and compassionate staff at the Oak Bay Lodge.

No funeral by request. Condolences may be offered below.
