

Maria Teresa Penty

Our beloved Mama and Avita, Maria Teresa Penty (Cachot Rocher), passed away peacefully in Victoria, on March 31, 2020. Teresin, as she was known in her family, was born the third of four children, in 1924 in Reus, Spain, to loving parents Juan and Amparo. In her early youth the family moved from their native Catalunya to Madrid, where their devotion, strength and unity saw them through the difficult years of the siege of Madrid during the Spanish Civil War. After the war, Maria Teresa expanded her linguistic skills to become fluent in five languages, and served as a national youth leader for Acción Católica.

In 1954, Maria Teresa joined her husband Richard in Ontario, where she nurtured her five children, Carmen, Martin, Jane, Arthur, and Rosalind, and proudly shared her Spanish culture with them. Her early life in Canada took her in quick succession through Windsor, London, Mitchell, Stirling, Ajax, Timmins before finally settling in Ottawa. In later years she thrived working at the Spanish Commercial Office and teaching evening Spanish classes. In 1979 she moved to Victoria, British Columbia, where she continued to enjoy teaching Spanish at the YMCA.

A kind and warm woman of great intelligence, enormous grace, and compassionate faith, she was a treasured matriarch to her children, grandchildren, and their partners. By her grandchildren she was known with great affection as Avita, a name derived from Avia (grandmother) in her native Catalan. She will be remembered as a generous and listening friend to many in both her church and community. We will miss her and all that she brought to our world. Gracias Mama, Gracias Avita, por todo lo que nos has dado.

A Funeral Mass will be held at a future date.

Condolences may be offered to the family at www.mccallgardens.com. As the family would love to hear from any and all who were touched by Maria Teresa in her lifetime, please leave a note or story on this website. Should you have a private memory to share with the family, please add a note in the condolence message that you would like to be contacted and your email address will be forwarded to them.
