

Marianne Kanneberg

In loving memory of my mother, Marianne Kanneberg. Born in Cologne, Germany she came to settle in the small town of Terrace, BC in 1957 as the young wife of Gerhard Kanneberg (predeceased), also a recent immigrant looking for a new start in life. A cultural shock at first, she adapted well. Mom never shied away from adventure or challenge throughout her life. She worked 35 years for the Ministry of Health, starting her career caring for the elderly and infirmed in Terrace, later transferring through higher education, to administrative duties in Victoria, BC. She travelled extensively both in Europe and North America and loved doing road trips. In retirement, mom discovered lawn bowling which she pursued for 12 years and loved her extensive walks on the waterfront with her friend June, until health issues prevented her from participating actively. Most of all, mom cherished the small things in life such as: warm summer afternoons, time spent together, Sunday dinners, flowers, strawberry sundaes, drives along the waterfront and all the little creatures in the garden. Marianne was not just my mother, but my friend and she will be missed dearly.

She is survived by myself, Daniella and my husband, Kevin.

A special thank you to both the Aberdeen Rehab Team for their care and Dr. Dumott and the team at Royal Jubilee Hospital for their kindness and support in her final days.

A Celebration of Marianne's Life will be held early in the Spring.

Condolences may be offered to the family below.
