

Marion Harris

Marion Harris passed away in the arms of her daughter Colleen on February 13, 2009. Marion passing was peaceful and gentle as she listened to Marie singing and playing her favourite songs and hymns on guitar. Good friend Marg was also by her side, providing much love and support, just as she had always done.

Marion was born July 30, 1918, the eldest daughter of Annie and Herman Huff of Brantford, Ontario and was predeceased by her five siblings during her lifetime. She and her husband Ted had five children, Jeanette, Linda, Robert, Russell and Colleen. Marion was predeceased by Ted in 1975 and her eldest daughter Jeanette in 2002.

Marion came to live in Victoria with her daughter Colleen in 2000, and quickly became her ever-present side-kick on car rides, shopping excursions, trips to the pub and many other adventures. Marion had a particular love of music and was known to spontaneously break into song in the most unexpected situations. Her quick wit and saucy personality made her a favourite to all who knew her and particularly at Mt. St. Mary Hospital where she spent the final years of her life.

Marion will be greatly missed by her remaining children, her grandchildren, Zoellyn, Capucine, Grayson, Teaguen, Ayden, Paula and Emily, as well as great-grandchildren Gideon and Gulliver.

Anyone wishing to share in a celebration of Marion's life is welcome to attend a memorial service to be held at St. Ann's Academy Chapel on Wednesday, February 18, 2009, at 3:30 pm.
