

Marvin Henning Berg

A mountain of a man.

In the early hours of February 9th, Marvin suddenly but peacefully passed away at the Royal Jubilee Hospital in Victoria, BC.

Marvin was predeceased by his son Jason and his sister Eileen. He is deeply missed by his daughter Dorinda; grandson Marshall; former spouse Barbara; his brother Gary; sister Linda; as well as countless relatives and friends.

Marvin was born and raised on a farm in Alberta. He was adept at farming and loved animals. He was a true outdoorsman and passed along all his knowledge and skills to his children. Countless memories of fishing trips, hunting, horse-back riding adventures, river boating, cross-country skiing and more will be remembered and shared for generations. He worked throughout his life as a policeman, fire chief, safety/security and first aid posts. Later in life, he worked in the trucking industry and taxi service. He was an arm-wrestling champion in the 1970's and won many trophies. He had a knack for making people laugh or cringe with his outspoken and direct personality.

He spent the last years of his life at Oak Bay Lodge and the Summit, where he enjoyed socializing with many residents and staff. The family thanks the staff there who looked after him over the years. Marvin embraced the circle of life and always held a positive and care-free attitude. He is tremendously missed and lovingly remembered.

In lieu of flowers, donations may be made to the Wild Animal Rehabilitation Centre (Wild Arc) in his memory.
