Mary Teresa Finnegan (Sails)

Loving mother, devoted grandmother, sister, aunt and friend passed away March 31st after a lengthy battle with cancer.

Mary is survived by her son Michael Frampton (Megumi), daughter Kelly Wakeham and grandchildren Kieran, Logan, Jasmine and Lily. She is also survived by her brother Michael Sails and sister Marnie Wingham (UK), her nieces and nephews, Andrew, Alanna, James, Patrick and Trevor Sails and Brittany and Ryan Wingham. She was predeceased by her much loved younger brother, Steve and older brother Jack (in infancy).

Mary attended St. Ann's Academy, St. Patrick's School and Oak Bay High School in Victoria. She worked as Department Secretary and Assistant to the Chair in the Biology Department, University of Victoria, for over 26 years. She was also very active in her Union, CUPE 951. It was during this time at UVic that Mary pursued her post secondary education, obtaining a degree in Sociology and Psychology, graduating as a mature student in 1998. Mary especially enjoyed spending time with her family and friends, all of whom she held most dear. Thank you Dr. Leah Norgrove, Dr. Sylvie Tellier, staff at BCCA and all the staff at Victoria Compounding Pharmacy for your care during Mary's life.

It was Mary's wish that there be no service. Please offer up a prayer.

Condolences may be offered to the family below.
