

Max Peverett

1928 – 2014

Max passed away peacefully in his sleep on October 24 at Craigdarroch Care Home, after living with Alzheimer's for the past 10 years. He leaves Kathleen, his loving wife of 57 years, and his daughters, Jane (husband Fred) and Tracy (husband Stephen), all of whom will miss him tremendously.

Max was born in England and he and Kathleen immigrated to Canada in 1956. They traded the lights of London for the wilds of northern Ontario, following which Max's career took them to southern Ontario and finally Victoria. Max had a long and respected career in highway engineering, first with the Ontario Ministry of Transportation and then with UMA in Victoria. Max made good friends in his lifetime and was grateful to all of them for their support and love.

The family would like to thank Dr. Alan Cook and the wonderful staff of the Craigdarroch Care Home for the care they took of Max.

Condolences for the family may be offered below.
