

Meiri Earl

Meiri was born in Penticton, BC to Ani and Joseph Frey. Predeceased by the love of her life, her husband Tom, brothers Frank Frey and Alex Varga, she leaves behind her daughters Cathie and Colleen (Earl Hunt), grandchildren Casey and Riley (Dalaney) and many cherished family members and friends.

Meiri was an amazing, loving wife and mother. She was strong and independent and very proud of her family and home. She was an avid gardener, quilter, crafter and loved to cook and entertain. There wasn't a page in any of her recipe books left unturned or without a note on it. She was involved with The Ruby Red Hats and with the St. Aidan's Thrift Shop and their exercise group.

Mom was a little firecracker right up to her last days with a smile on her face and a little something to say. Pretty sure whenever someone knocks on Heaven's door they'll hear her say "no bums allowed" and will be welcomed by her warm hug.

A huge thank you to the whole team at The Heights at Mt. View for their outstanding care, support and kindness and to all those who kept in touch during her long, hard battle. Also, a heartfelt thank you to Dr. Chritchley for her support and kindness for many years.

There will be no service but please raise your glass and pass the chips in Meiri's honour.

Condolences may be offered to the family below.
