

Nelson Francis Bath

A brief but intense battle with cancer ended on the eve of the April 8th, 2021. Nelson loved his work and the good life. If you wanted to talk real estate or cruises, you'd find a soul brother in him. When Nelson walked into a room, he stole the spotlight and his infectious laughter ensured good cheer. He was an entrepreneur, sports and community volunteer and family patriarch. He will be missed by Jean Bath, his wife of 53 years, sons Nelson (Sandra) and Gregory (Teresa) but now reunites with son Lawrence (Niurka) who he'll meet with up high. He'll also be missed by his grand kids Nathan, Deidre, Anaya, Emily, Bruce and Michael. In accordance with provincial law, those wishing to attend the Graveside service on Thursday, April 15th, 2021 can request invitation at nelsonsfuneral@gmail.com.
