

Nicholas John David Evans

Nicholas died on April 16, 2018 at Royal Jubilee Hospital, Victoria, BC after a sudden illness. Nick was born in Dundee, Scotland on July 10, 1943 into an RCAF family that was posted to Patricia Bay, BC in 1945 , and thereafter to numerous locations in Canada and the US. He attended school in England before beginning at McGill University in 1962 (maths and physics) and later continuing his studies at UVic.

After a freewheeling period characteristic of the 60's (and Nick), he settled in to a career with BC Systems as an IT administrator until his retirement in 2001. Nick was admired by all for his humour and quick wit, his deep erudition and interests.

Predeceased by his sister Kitty; he is survived by his spouse Jean; godsons Johannes and Michael; step daughter Claire; brother Rodney; nieces Kate, Sara, Claudette, and Morgan; nephew Will; uncle Frank; cousin Greg; sister-in-law Helen; and many old friends who remember his kindness and keep a special place in their hearts for him.

Condolences may be offered to the family below.
