Niels Kolle Poulsen

This is the hardest thing I have ever had to write, but I must. With heavy hearts, we share that Niels passed away on April 14, 2025, after a courageous 20-year battle with cancer and its many challenges.

He leaves behind a remarkable legacy—his three grown children, their wonderful spouses, eight beloved grandchildren, and his devoted wife of 46 years. Niels was a loving husband, father, and grandfather whose presence will be deeply missed.

We take comfort in knowing you are pain-free, drinking coffee and watching soccer.

To all who knew him: if a smile crosses your face when you think of Niels, know that it is the greatest tribute you can offer.

Condolences may be offered to the family below.
