

Patricia Ann Hammond

Patricia Ann Hammond passed away peacefully at home on June 26, 2022 in her 89th year with her beloved husband, George Felton Hammond, nearby. The two celebrated their 70th wedding anniversary on May 31st of this year.

She was a loving mother of three boys, an air force mom raising true air force brats! Pat made wonderful homes for her family as George's career took them to multiple locations in Europe and Canada. She brought a sense of order to households which were often chaotic.

Pat successfully battled two different types of cancer in her mid-to-late fifties showing incredible bravery and resilience. She went on to live a full and rich life. Pat was an avid tennis and bridge player and read books voraciously. She had many dear friends at the Racquet Club and Goward House, where she loved to play bridge.

Pat was the quintessential class act, balancing a firm resolve with elegance and grace.

She is survived by her husband George, her three sons; Richard (Shannon), John (Susan), Michael (Sandi), and daughter-in-law Cathy, her grandchildren; Elizabeth (Aaron), David (Cassady), Kate, James (Lauren), Nicole, and Bradley, her great-grandchildren; Emmett and Lily, and many loving relatives back East.

The family would like to extend our deepest appreciation to Pacific Coast Health staff for their support of Pat over the past several months and to Carmen and Dee in particular for their loving care.

In lieu of a formal service, the family will be gathering at a reception in her honour at a later date.

Condolences may be offered to the family below.
