

Patricia Dianne Hodgetts

Patricia died peacefully on January 27, 2020 in Victoria, BC. She was born on September 20, 1950 in Prince Rupert.

Pat is survived by her son Keith (Caroline); grandchildren Logan and Jaxon; and her brother Jim (Leah), and nephew Jason (Patsy) and niece Talena (Greg).

She made many friends that would last her lifetime and enriched the lives of all that she met. She will be greatly missed by her family.

Pat decided early in life that she wished to help people and dedicated her career to becoming a Registered Nurse. She worked early in her career at the Royal Jubilee Hospital for a number of years. When Keith was in elementary school, she decided to take some time off work and go back to school. Upon re-entering the workforce, she found a job that would last her the rest of her career at Beckley Farm Lodge. Pat touched the lives of many residents at Beckley, as well as many of her co-workers.

Even after she retired from the workforce, her desire to help people was such that she found an opportunity to do so by volunteering at a local thrift shop where she made many friends within the community.

Pat had a great many interests during her life. One love that she always had was her love of reading, which she passed on to her son Keith. She always said, when she saw Keith reading and enjoying his first few novels, she knew he would succeed in school.

Pat also always had a love of animals, especially cats! Through most of her life, she shared a great amount of love that she had with many fortunate felines. In her final years, she also managed to share this love with her grandson's dog,

Jaggy.

She also developed a love of travel. She travelled to many locations around the world (a notable favourite being Costa Rica and the Galapagos Islands) and experienced many different cultures. She loved the “cruise” experience. Whether it was cold weather cruising up to Alaska, or cruising in warmer climates, she truly enjoyed sharing these times and experiences with her family and friends.

No memorial service will be held at this time. A private dinner for family will be held at a later date.

The family wish to thank the doctors and nurses who cared for Pat over the last few years as they all showed love and compassion that was appreciated greatly by her family.

In lieu of flowers, the family would ask that donations be made to the Victoria SPCA to support the animals that she loved so much.

Condolences may be offered to the family below.
