

Pauline Richardson

Paulie passed away peacefully in the Saanich Peninsula Hospital on the morning of November 11, 2015. Born on March 22, 1926 in Kitchener, Ontario, she will be greatly missed by her large family of dear friends. She was predeceased by her loving husband, William (Bill) Richardson.

Paulie and Bill spent their careers in the mining industry in the Yukon, Nova Scotia, and finally Yellowknife, Northwest Territories where they lived for 27 years. After retirement, they moved to North Saanich, BC and always welcomed with great warmth old friends and new to their home.

We will miss Paulie yodelling as we strolled through the bush, the joy she took in beautiful things, her sense of fun, and her creative style of storytelling.

The family would like to thank the medical and support staff of the acute care ward at Saanich Peninsula Hospital for their generous and caring attention.

No service by request.

Donations in Paulie's memory can be made to the Heart and Stroke Foundation.

Condolences may be offered to the family below.
