

Percy Poulton

Percy Poulton – VE7AGN

Born April 28, 1920 in Grand Forks, BC. Dad passed away peacefully on September 14, 2009 at Sunrise in Victoria after a long journey with Alzheimers. Predeceased by his wife, Doreen in 2002, survived and missed by his daughters, Ann (Rick) Paisley of New Westminster and Wendy of Victoria. Also sadly missed by Debby, his caring friend and the Sunrise staff. Dad moved to Victoria and graduated from Victoria High School in 1938. He joined the navy as a radio operator. Being out of uniform, wearing roller skates, kept him from going overseas! After marrying Doreen and a stint of Motel (Penticton) and Lodge (Moose Horn Lodge, Burns Lake) ownership, they returned to Victoria where he worked at HMCS Dockyard. In 1959 he finished his B.Ed at UBC. He taught for many years at Colquitz Junior High School. Dad operated a ham radio from the age of 18 (VE7AGN) and roller and ice skated until recently. He was an Honorary Life Member of Victoria Figure Skating Club. Thank you to the 3rd floor staff at Sunrise for your kindness and caring and to Debby for your love and loyalty.

In lieu of flowers, a donation in Percy's memory would be appreciated to the charity of your choice. No service by request.
