

Raymond Angelo De Girolamo

After a courageous battle with cancer during which he somehow managed to keep his sense of humour, Ray passed away peacefully November 12, 2022 with his family by his side. A devoted husband, father, stepfather and the best Gampy in the entire world. Ray loved his family, his friends and the game of golf. Taken too soon but a life well lived. Ray was predeceased by his parents and brother Mike. He is survived by his wife Diane, daughter Rebecca (Seb), stepsons Nathan, Jordan (Nicole), granddaughters Taylor and Haley, siblings Carmen (Ken), Linda (Wayne), Janice, Art (Joanne), mother-in-law Joyce, sisters-in-law Marg, Carolyn (Richard), Janice and too many nieces and nephews to name individually.

Celebration of Life to follow in early 2023.

In lieu of flowers, Ray would like you to spend some extra time with loved ones and take that trip you have been thinking about because you never really know how much time you have.

Condolences may be offered to the family below.
