

Raymond “Nub” Cripps

It is with great sadness that we announce the passing of Raymond “Nub” Cripps.

Ray was born on December 24, 1949, in Tofino, British Columbia, and grew up in Powell River, BC. In 1968, Ray moved to Ucluelet, BC, where he spent close to 30 years building a life rooted in hard work, community, and family.

Ray devoted countless hours to coaching children, playing sports, and being a devoted father. His love of sports, music, and camaraderie—combined with his infectious laugh and outgoing personality—made him a familiar and cherished presence to many. Whether on the sidelines, in the community, or among friends, Ray had a way of bringing people together and making them feel welcome.

He was deeply involved in the Ucluelet community and took great pride in supporting young people through sports, mentorship, and encouragement. His energy, humor, and generosity of spirit left a lasting impression on all who knew him. As Ray’s life began to slow, he spent his final 18 months in long-term care. Much like the sun that rises every day, Ray’s personality continued to shine, leaving residents, staff, and visitors holding a special place in their hearts for him.

Ray is survived by his three sons: Curtis (spouse Kaylee), Tyler (spouse Jisung), and Cory; and by his beloved

grandchildren, Dyani and Jay.

As well as his sister Elizabeth, brother Robert, and many nieces and nephews.

Ray will be remembered for his love of sports, his dedication to his community, and the laughter he so freely shared. His legacy lives on in the many lives he touched and the family he loved so deeply.

Condolences may be offered to the family below.
