

Robert Leonard Hoel

It is with a heavy heart we announce the passing of Bob. Bob had a 3 year struggle with cancer and is now peacefully at rest.

Bob was a quiet man who enjoyed fishing, camping and wood working. Many of his woodworking projects could be seen in his house and his daughter and son-in-law's house. Over the years interest in his hobbies waned, however, he was always up for a game of cards with his family and going to the casino. We're sure we only heard about his casino winnings, so in our minds he was a very lucky guy. We will miss our Sunday night card games and afternoon coffees together. It's hard to imagine our lives without the presence of our quiet, independent dad, father-in-law and grandpa.

Bob is predeceased by his wife Yvonne (2001) and son Robbie (1983). He is survived by his daughter Chris, son-in-law Rob, and grandsons, Ryan and Graham.

A celebration of Bob's life was held at McCall Gardens on June 10, 2022 at 2:00 pm at 4665 Falaise Drive, Victoria, B.C. V8Y 1B4
