

Roderick Shane Olafson

Rod moved on to the next great adventure surrounded with the love and compassion of family and friends. His long suffering from a rare and brutal cancer ended peacefully in Victoria Hospice. Left to carry on the memory of this incredibly strong and determined man are his wife, Jane Chadwick, and three amazingly strong and devoted children Kaisen, Rowan and Eleri; his parents Bob and Elaine Olafson; his sister Kirsten Sheffield, brother-in-law Scott and nephews Jordan and Liam. Rod was a valued member of the Victoria tech industry. His knowledge, patience, development, and managerial skills will be greatly missed in this sector.

A special thank you to Dr. David Attwell (and family) who has been a compassionate physician and loyal friend while guiding Rod and his family. A special thank you also to Rod's Auntie Betty (Kendall) for her love and support.

Rod and his family have been surrounded and held by the love of an amazing local and cyber community. Rod would want them to know how much he valued this and how glad he was that his children witnessed how a community of friends, family and neighbours gathered together and cared for them.

A private cremation will be held.

A Really Big Party To Celebrate Rod (his request) will be announced and held in the new year, and Jane is open to assistance in planning this event.

Contributions suggested to the family for the children's RESP's.

"How I wish, how I wish you were here.

We're just two lost souls swimming in a fish bowl, year after
year,

Running over the same old ground.

What have we found?
The same old fears.
Wish you were here.”
– Pink Floyd

Condolences may be offered to the family below.
