Ronald Sydney Provan

After a long and amazing life, Ron has rejoined the love of his life, Gail. He passed very peacefully in his sleep on November 23, 2024 with family by his side.

Ron was predeceased by his parents, Teddy, Alec, Marian, Ted, Mary and his brother, David.

Left behind are daughters, Kimberley (Dale) and Deanna (John), sisters Lynda, Susan, Jacquie, cousin Barb and countless more. Without a doubt his pride and joy were his 2 beautiful granddaughters, Halle and Taylor. They brought so much love and happiness to Gail and Ron's lives. He was also affectionately known as "Poppa Ron" to many others.

Ron worked proudly as an Optician for over 40 years. Ron's family all spent many years enjoying "Their Trailer" until they found cruising. Known as a character, Ron kept us laughing up to the very end.

Thank you to all the people that provided him care, love and compassion. At Ron's request there will be no service. In lieu of flowers, please consider a donation to a charity that brings you happiness. Condolences may be offered to the family below.
