

Rosa “Kathy” Robertson (nee Cooper)

Passed away suddenly but very peacefully on November 30th, 2016 at the Royal Jubilee Hospital, Victoria. Kathy will be greatly missed by the many friends she had. Kathy was a great friend and neighbor. She would have her daily walks in the neighborhood and visit with everyone. She is predeceased by her husband Sandy in 2012. She was a great dog lover and dedicated many years to her wonderful loving Scotties. She loved to garden and sing in the church choir and was an accomplished singer. We will all miss her very much.

Many thanks to the hardworking nursing staff at RJH 7th floor North for all their kindness and care for Kathy.

No service by request.

Tributes if desired may be made to the SPCA.

Condolences may be offered to the family below.
