Scott Shoemaker

David Scott Douglas Shoemaker, age 49 years, passed away on April 3rd, 2022, at the Victoria General Hospital, in the Intensive Care Unit, with his family at his side. Scott was predeceased by his Dad, Dave, in December, 2021, and is survived by his mother, Elaine, and his sister, Lauren.

Scott loved all animals, especially his cat Bobby, and other rescued pets, giving each a forever home. Scott was skilled, always able to fix anything at any time. Scott also had an outrageous sense of humour which knew no bounds.

We will miss Scott every day. The silence is deafening, but he lives loudly in our hearts forever.

A private family viewing was followed by cremation.

Condolences may be offered to the family below.
