

# Sean Thomas Devlin

December 19, 1980 – June 27, 2013

With profound sadness Sean was tragically taken from us in a workplace accident, leaving behind the loves of his life, Sasha and his four-month-old son, Shea; family, Dan, Mona, Drew, nephew Jordan, Britt, grandfather Gordon Huntingford and his diggy “dawgs” Tonka and Mackie; and a legacy of friendships from the many chapters of his life. Sean grew up in Victoria playing lacrosse and hockey. At 19 he left Victoria to start his career in the oil patch. His career took him all over the prairies and as far away as Australia. When he met Sasha he immediately knew she was the “one.” They started their life together in Peace River, Alberta where he was the happiest he had ever been and had everything he ever wanted.

A Celebration of Sean’s Life will be held on Saturday, July 6 at 2:00 p.m. at the Delta Victoria Ocean Pointe Resort. Casual attire, as Sean would want, is preferred. In lieu of flowers, donations may be made in Sean’s name to the SPCA. Condolences may be offered to the family below.
