

Sheila Dunlop

Sheila passed away peacefully in the company of family and friends on June 12th, 2024. She was 90 years old.

Sheila was born and raised in Edinburgh, Scotland and spent her early adult years working at British Rail. Along with her dear friend Marion, Sheila emigrated to Canada in 1957 and settled in Toronto. After a career with Texaco, Sheila retired and later relocated from Toronto to Victoria, where she remained.

Sheila was a strong, resilient and courageous individual that lived life on her own terms. She had a wonderful sense of humour, and was clever and quick to laugh. Sheila enjoyed golf and dancing in her younger years and walks along the harbour and public television more recently. Sheila cared deeply for family and friends and was a role model to several generations. She will be remembered for her kindness, adventurous spirit and classic elegance. She will be greatly missed.

Sheila and her family would like to thank the staff at Victoria General Hospital and Island Health for their extraordinary care and kindness. In lieu of flowers, a donation to the hospital or a charity of choice would be appreciated.

A private celebration of Sheila's life and interment service will be held at a later date.

Condolences may be offered to the family below.
