Stuart Pitt

Stuart was born in Victoria on May 22, 1941, and passed away very peacefully on August 28, 2026. He is survived by his wife Pat (Roberts), his son Bryan (Jody), his daughter Teresa, five grandchildren, and a circle of loved ones, including his reconnected daughter Sherry.

Stuart was very proud of being a James Bay boy. He went on to BCIT and UBC, graduating with an Engineering Degree. Clearly proving his high school teacher wrong about his educational ability. He travelled the world, working at times in his early travels, just enough to keep on travelling. Exploring and enjoying other cultures was his passion, and he managed to cover all seven continents in the process, sharing his love of travel with Pat throughout their marriage.

His engineering work took him to Africa and back to Victoria, where he spent many years with the CRD, and finally as Director of Engineering with the Municipality of Oak Bay.

At Stuart’s request there will be no service or celebration of life.

Remember the happy times you shared with him by having a coffee, or taking a walk, with friends.

Stuart will be deeply missed. Special thanks to Drs. Jennifer Maxwell, Marilynn Malone, Mitchell Drake, and MAiD House Victoria.

Condolences may be offered to the family below.
