

Terrance Brian Rogers, Col. (Ret) RCAF

It is with profound sadness that we announce the peaceful passing of our beloved husband, father, grandfather, brother, uncle and friend to many.

Terry was cherished by his wife of 51 years, Heather, and by his children, Brian (Nicole) Rogers, and Tammy (Jeremy) Kerr as well as his grandchildren Danielle (Steven) Laitinen, Kathryn and Amy Rogers; Sarah and Matthew Kerr. Terry's treasured grandchildren were his pride and joy. Terry will be sadly missed by his brothers, Charles (Joyce) Rogers of Winnipeg, Mb and Richard (Carol) Rogers of Nanton, Alta as well as his sisters in law, Sharon (Gary) Sinclair and Maureen Henderson, both of Victoria, BC.

Terry was born into a military family and was the middle son of the late Harold and Rhoda Rogers of Stewiacke, NS. As an Officer Cadet at Royal Roads Military College, he met, then after Graduation married Heather. Terry's 35-year military career took the family on many memorable journeys with postings from NS to Florida to Ontario, and saving the best for last – Beautiful BC. His integrity and remarkable abilities were not only a lesson to his family but were also recognized by the military. Career highlights included C.O. of VP407 Sqdn and his appointment as Commander of 19 Wing, Comox. After retirement, Terry joined 3E Training, a position he enjoyed immensely on account of his colleagues. Terry also served 2 terms on the Board of Community Living Victoria in honour of Maureen and her housemates.

Travel, golf, gardening, and walking became Terry's retirement hobbies, however, his love and devotion to his children and his grandchildren surpassed all else. Family events always became a cause for Celebration and he never turned down an

opportunity to attend a grandchild's piano or dance recital or hockey game – he was an avid fan of all they do. His sense of humour, kindness and happiness serve as reminders for all of us to truly enjoy the time we share with one another. Terry inspired us to travel and took us on so many amazing trips. He taught us to work hard to accomplish our goals. And he taught us that Family always comes first. Terry left us much too early, but our cherished memories and the love we share are with us until we meet again.

“ I love you and don't you forget it”.

A Celebration of Life will be held at a later date. Donations in Terry's name can be made to the BC Cancer Foundation <https://bccancerfoundation.com/> or to the Heart and Stroke Foundation <https://www.heartandstroke.ca/>. Condolences may be offered to the family below.
